What, particularly, interestă you about the Valley of light?

The Valley of Light is not an income sharing community, so members need to be able to support themselves. How would you support yourself financialfê in the community?

Would you be interested in building a home, shared housing or renting in the community?

◉ Build ○ Share ○ Rent

How do you see yourself as part of a community? Describe the skills, knowledge, and experience you wish to contribute to the Valley of Light.

When living in community, members have to learn to balance the needs of the many with the needs of the individual. What are your thoughts on an appropriate balance between these two goals?

Members are expected to choose one of the **Five Paths of Perfection** when joining the community. Which path interests you and why?

The Valley of Light is a spiritual community. Please share a little about your spiritual beliefs:

Different belief systems have different ways of explaining duality on the Earth Plane. How would you describe duality and have you ever experienced non-duality?

The Valley of Light aims to model “Second Tier” consciousness. Referring to the **Spectrum of Consciousness** chart, where do you think you fall within this model? And what are your thoughts on this model?
